Dear 2007 JFK 50 Mile Entrant:

Enclosed you will find the official overall and team results from the 45th Annual JFK 50 Mile held this past November 17, 2007.

An all-time JFK 50 Mile record –as well as U.S. ultra record—1,079 official finishers beat the official 12-hour (7:00 a.m. starters) and 14-hour (5:00 a.m. starters) time-limits. This is only the second-time that more than 1,000 finishers have officially finished an ultramarathon foot race in the United States. Congratulations are due to everyone who had the courage to attempt this challenging and historic event.

The 46th Annual JFK 50 Mile has been scheduled for November 22, 2008, the traditional Saturday before Thanksgiving date. All 2007 entrants will receive entry information and an entry form by mail in the first part of July 2008. The 2007 JFK 50 Mile reached its entry limit on August 27th, we expect the 2008 JFK 50 Mile to fill even quicker. If you have access to the internet, entry forms and pertinent information on the 2008 JFK 50 Mile will be available in the first week of July 2008 at the following website address:
