

NOTICE TO ALL PARTICIPANTS IN THE 1986 JFK-50 MILE HIKE/RUN

The National Park Service, assisted by many volunteer groups, has greatly improved the condition of the C & O Canal Towpath following the extensive damage from last Fall's flood. Thanks to their efforts, we will be able to use the entire 26.2 miles of the Towpath without detour.

However, there are some areas of the Towpath that are still quite treacherous. Therefore, you are urged to exercise caution when proceeding through these areas.

Again, we also ask that you be very careful along the always rough and unpredictable terrain of the Appalachian Trail.

THANK YOU for being careful on your way to a successful day in the JFK.
